

# Only You

Jill Scott

Ain't go'n be no eyes  
To make me turn away  
Ain't go'n be no kiss  
To make me contemplate  
Walking out the door  
And never coming back no more  
(Ain't go'n, ain't go'n, ain't go'n, ain't go'n, g-g-go'n)

Ain't go'n be no cologne  
To make me say goodbye  
Ain't go'n be no words  
To make me change my mind  
Throw away all I know  
For something physical  
(Ain't go'n, ain't go'n, ain't go'n, ain't go'n, g-g-go'n)

Only U  
Only U  
Only you can make me leave the key and  
lock the door  
and never come back no muh muh muh, more  
Only U  
C-c-c come, come

Ain't go'n be no style  
To make me change my smile  
(Ain't go'n, ain't go'n, ain't go'n, ain't go'n, g-g-go'n)  
Ain't go'n be no stroll  
To make me lose control

(Ain't go'n, ain't go'n, ain't go'n, ain't go'n, g-g-go'n)  
Of my sanity  
Oh no, it won't be me.

Only you can make me leave the key and  
lock the door

And never come back no muh muh  
muh, more  
Only you can make me leave the key and  
lock the door  
And never come back no muh muh  
muh, more

[Repeats and echoes until end:]
