

# Slowly Surely

Jill Scott

Slowly surely,  
I walk away from  
that old desperate and dazed love  
caught up in the maze of love  
the crazy craze of love  
thought it was good  
thought it was real  
thought it was  
but it wasn't love

I just don't know  
Where i should go  
So  
Slowly surely  
I walk away from  
self-serving  
undeserving  
constantly hurting me love  
deserting me love  
you said, I said, we said  
but

Slowly surely  
I walk away from  
confusing love  
misusing love  
abusing love  
this can't be

Slowly surely  
I walk away from  
self serving  
undeserving  
constantly hurting me love

I just don't know  
where I should go  
No  
I just don't know  
know, know, know  
Where I should go  
so

Slowly surely  
I walk away from  
that old desperate and dazed love  
caught up in the maze of love  
the crazy craze of love

thought it was good  
thought it was real  
thought it was  
but it wasn't love

I just don't know where to go  
So

Slowly surely  
I walk away from  
I walk away from  
Slowly surely  
I walk away from love  
Oh  
slowlyy, surely one step at a time  
but surely  
I will pass the old love aside  
and love me  
slowly,  
surely I walk away from  
slowly surely I walk away from desperating love  
caught up in the maze love  
crazy crazy craze of love  
slowly surely, I walk away from Sloooooooooowly Suuuuuuurely, slowly surely
