

Sometime I Wonder

Jill Scott

Hey, every time I see you
It's good to see you again, hey baby
You make me feel like I've seen the sun, sun is shining
Your loving let's me know that I'm the only one and I hear you

Sometimes I wonder, I wonder how you got so good
Sometimes I wonder, I wonder how you got so good
Sometimes I wonder, wonder how you got so good
Sometimes I wonder, baby, wonder, baby

Hey, lovin' you is like my dream come true
I want you to know that I'll always be there standing up for you
From the mountain, from the river
From the root to the, to the, baby, I got something

Sometimes I wonder, I wonder how you got so good
Sometimes I wonder, I wonder how you got so good
Sometimes I wonder, I wonder how you got so
Sometimes I wonder, some girls are way down baby

Sometimes I wonder, I wonder how you got so good
Sometimes I wonder, I wonder how you got so good
Sometimes I wonder, I wonder how we got so
Sometimes I wonder, some girls are way down baby

When I look into the mirror, what do you see
I see me and I see you and how are we
Joined from the soul, our hearts together
Just living together in melody baby

Sometimes I wonder, I wonder how you got so good
Sometimes I wonder baby, baby, I wonder how we got this good
Sometimes I wonder, I wonder how you got so good
Sometimes I wonder baby, some girls are way down baby

Sometimes I wonder
And we're living together in melody, oh yeah, oh baby
In melody, in harmony, oh, in melody, in harmony
In, in melody, baby, in harmony

Living in harmony, we just got this good
And we're living together in melody, in harmony
In melody, in harmony, oh, in melody
