Spiderman

I get out of the underground Near Hollywood and vine I had the whole train to myself No one ever rides

I'm in my costume
My mask and tights
I'm Spiderman, I'm Spiderman

They're calling for a lovely day The tourists sure are out And here comes one as I speak To take my photo now

His daughter jumps up on my back She wants to climb the walls We're Spiderman, we're Spiderman

I moved out here from Evansville Seven years ago The first week I'm an extra on Well, you know that TV show

And if you blink you miss me But you can't miss me now I'm Spiderman, I'm Spiderman

Did you hear there was a fight? They arrested Captain Jack And Princess Leia got so trashed She won't be coming back Like Spiderman, like Spiderman

Now the sun is going down On the boulevard A German couple try to match The footprints of the stars

The tips were pretty good today Tomorrow I'll return like Spiderman I'm Spiderman, like Spiderman Spiderman **Jill Sobule**
