```
Window to the sky
A telescope to the eye
Like a stamp to a letter
I want to know You better
I want to be so much nearer
I want to go together with You
Like a photograph to a smile
A runner to a mile
Like strings to a cello
Like a wave to a "Hello, how are you?"
Want to go together with You
Like a face in the mirror
I want to see You clearer
I want to be so much nearer
I want to go together with You
Want to go together with You
Paint to a canvas
First day to nervous
Birthday to a wish
Long distance call to I miss you
Want to go together with you
Lock to a key, yeah
You to me
Want to go together with You
Want to go together with You
```
