

## Try

Jillian Edwards

If you were a melody, I'd sing you all the time.  
And if your hands are poetry, I'd memorize every line.  
And if every look you gave me were a different hue or shade of  
color, I'd learn how to paint you

You know i'd tryyyyyy  
Tryyyyyyy  
You know I'd tryyyyyy  
You know I'd try

If you were words in a story, you'd be in a book thats over du  
e  
Thats somewere hidden in my closet.  
Looked a million times for you.  
And if you were just one day, you'd be the very first of may a  
nd I'd be the sunlight in your skies.

Or at least I'd tryyyyyyy  
Tryyyyyy  
You know I'd tryyyyyy  
You know I'd try

What are the words. All the words that your saying. (??)  
Never seen you. All the prayers that your praying. (??)  
Everywhere you go, i wish that i could stand next to you.

Oh I'd tryyyyyyyyyyy.  
Tryyyyyyyyyyy.  
You know I'd tryyyy.  
Tryyyyyyy.  
You know I'd tryyyy.  
You know I'd try.
