

Merry Christmas Beautiful

Jim Brickman

I hear the church bells ring in the air
Children singing down in the square
We're gonna be late but I don't really care.
'Cause the only thing that matters is you
Smiling you, perfect you

Merry Christmas beautiful
The lights are on the tree
Merry Christmas beautiful
All I want this year is you right here with me
Merry Christmas beautiful

Falalala, Falalala
(Merry Christmas)
Falalala, Falalala
(It's gonna be a)

Such a wonderful time of the year
Sipping eggnog feeling good cheer
But the best part is having you here
'Cause the only thing that matters is you
Smiling you, perfect you babe

Merry Christmas beautiful
The lights are on the tree
Merry Christmas beautiful
All I want this year is you right here with me
Merry Christmas beautiful

This feeling
Like I'm dreaming
It's a dream come true
When I wake up with you

Falalala, Falalala
(When I wake up with you hey)
Falalala, Falalala
(Yeah, Merry Christmas baby)

When we're together you'll never be cold
If you shiver I'll hold you close
'Cause whether sunshine or whether the snow
I can weather any weather with you
Smiling you, perfect you babe

Merry Christmas beautiful
The lights are on the tree
Merry Christmas beautiful
All I want this year is you right here with me
Merry Christmas beautiful

Falalala, Falalala
(Merry Christmas beautiful)
Falalala, Falalala
(Merry Christmas beautiful)
