

# 'Til I See You Again

Jim Brickman

The holy voices speaking  
Words I can't recall and I do still believe  
If I believe in anything at all  
Are You here in me and are You here

I thought I saw You walking  
Down my a street yesterday  
I thought I heard Your voice  
Though I could not hear just what You say

And I am waiting  
And I'm waiting here for You  
I'm whispering Your name  
I am telling to the wind  
Your love has brought me here  
'Til I see You again

I am opening the door  
I will let this moment in  
Your love will find me here  
'Til I see You again

And I can still remember  
As I write down these words  
The music in Your voice  
And the silence of the universe

And I am singing  
Now I'm singing here for You  
I'm whispering Your name  
I am telling to the wind  
Your love has brought me here  
'Til I see You again

I am opening the door  
I will let this moment in  
Your love will find me here  
'Til I see You again

I am whispering Your name  
I am telling to the wind  
Your love can find me here  
'Til I see You again

I am opening the door  
I will let this moment in  
Your love can find me here  
'Til I see You again
