

Mexico

Jim Čert

I have to go to Mexico,
I have to go to Mexico,
it's magic land.

I have to go to Mexico,
I have to go to Mexico,
for power ...

What you know what I do
I don't know what you do tomorrow ...
I wanna go, wanna go, wanna go
to take the trip

I don't care what you need,
but I know what's my need tomorrow ...
I wanna go, wanna go, wanna go
to take the trip ...
