

# Dreamin' Again

Jim Croce

Don't you know, I had a dream last night  
That you were here with me?  
Lyin' by my side, so soft and warm

And we talked a while and shared a smile  
And then we shared the dawn  
But when I woke up, oh, my dream it was gone

Don't you know, I had a dream last night  
And you were here with me?  
Lyin' by my side, so soft and warm

And you said, you'd thought it over  
You said that you were comin' home  
But when I woke up, oh, my dream it was gone

I'm not the same, can you blame me?  
Is it hard to understand?  
I can't forget, you can't change me  
I am not that kind of man

Don't you know, I had a dream last night  
And everything was still?  
And you were by my side, so soft and warm

And I dreamed that we were lovers  
In the lemon-scented rain  
But when I woke up, oh, I found that again

I had been dreamin'  
Dreamin' again  
I had been dreamin'  
Dreamin' again
