Nobody Loves a Fat Girl

Nobody loves a fat girl But, oh, how a fat girl can love Nobody seems to want me I'm just a truck upon the highway of love

I'm all alone inside of my form When ev'ry ounce of me is dyin' to keep somebody warm Nobody loves a fat girl But, oh, how a fat girl can love

Nobody loves a fat girl But, oh, how a fat girl can love Nobody seems to want me I'm just a truck upon the highway of love

The only game I can get the boys to play Is to have them sit around and try to guess how much I weigh Nobody loves a fat girl But, oh, how a fat girl can love, pretty mama Oh, how a fat girl can love
