

Texas Rodeo

Jim Croce

Hear the bells ring six o'clock
In three more hours i must go
And catch that train out of colorado
Head for the texas rodeo

Hear the bells ring seven o'clock
Wish i could stay here in your arms
And hold you tight like i did last night
And never forget about your charms

Hear the bells ring eight o'clock
In one more hour i must go
But if you kiss me again like that
I'll say the hell with the texas rodeo

Hear the bells ring nine o'clock
Guess i might of missed my train
So here we'll stay and here we'll lay
And liste to the clock on the mantel ring
