

# Hold Me Thrill Me Kiss Me

Jim Ed Brown

Hold me hold me never let me go until you  
Told me told me what I want to know  
And then just hold me hold me  
Make me tell you I'm in love with you

Thrill me thrill me walk me down the lane  
Where shadows will be will be  
Hiding lovers just the same  
As we'll be we'll be  
When you make me tell you I love you

They told me be sensible with your new love  
Don't be fooled thinking this is the last you'll find  
Oh but they never stood in the dark with you love  
When you take me in your arms and drive me slowly out of my mind

Kiss me kiss me and when you do I know I know that  
You will miss me miss me if we ever say adieu  
So kiss me kiss me make me tell you I'm in love with you

Never, never, never let me go  
Never, never, never let me go...
