

## I Feel A Sin Coming On

Jim Ed Brown

She just sits there her eyes are on me  
I shake with temptation just knowing what could be  
I ought to go home I've been here too long but I feel a sin coming on  
See that smoke ring that's her halo how high she flies depends  
on the wine flow  
I ought to go home I don't want to do wrong but I feel a sin coming on  
I've got another world outside that door a wife and the home and  
d who needs more  
I ought to go home but my wills got that strong I feel a sin coming on  
I feel a sin coming on
