

# I Guess I Had Too Much To Dream Last Night

Jim Ed Brown

My eyes aren't seeing very well this morning I just can't make  
them open in the light  
I tried to walk but I can't keep from stumbling  
I guess I had too much to dream last night  
I drink some tea but I can't find the table I make some toast b  
ut I can't eat a bite  
I'd go and face the world but I'm not able  
I guess I had too much to dream last night  
When you walked out my end found it's beginning  
Without you there's no way to make things right  
And now it seems that my whole world is ending  
I guess I had too much to dream last night  
I guess I had too much to dream last night
