

# I'll Be There

Jim Ed Brown

I'll be there to hold you when you need someone to hold you  
I'll be there to listen when you need someone to care  
I'll be there to help you anyway that I can help you  
I may be in the shadows but remember I'll be there  
I know that you don't love me the way you used to love me  
You chosen out to leave me and it really don't seem fair  
So many times you've hurt me hmm how you have hurt me

But my pain just doesn't matter cause if you'll need me I'll be  
there  
I'll be there any situation anytime anywhere  
I'll be there when you need a helping hand someone who will und  
erstand  
Just rest assure I'll be there  
When you need a helping hand someone who will understand  
Just rest assure I'll be there
