If You Were Mine Mary

Jim Ed Brown

If you were mine Mary know what I'd do
I'd take the stars Mary and give them to you
If you were mine Mary know what I'd say
I'd say that I love Mary over again all through the day
So if you love me please don't pretend
For there's a lifetime hapiniess waiting round the bend
If you were mine Mary know what I'd do
I'd take my heart Mary and with all my love I'd give it to you
I'd take my heart Mary and with all my love I'd give it to you
