

My New Love Is Ruby

Jim Ed Brown

I don't know the name of your new love you never told me but I'
ll tell you mine
The name of my new love my warm love my sweet love is ruby ruby
ruby red wine
I don't know the street that you live on oh but they tell me th
e neighborhood's fine
But my streets're dead end no neighbors and no friends just rub
y ruby ruby red wine
She makes me forget how I loved you and the mem'ries that you l
eft behind
She makes me forget how I need you as she bubbles and sparkles
and shines
I don't know the reason you left me you never told me but then
never mind
For I have my new love my warm love my sweet love it's ruby rub
y ruby red wine
