

Remember Me (i'm The One Who Loves You)

Jim Ed Brown

When you're all alone and blue no one to tell your troubles to
Remember me I'm the one who loves you
When this old world has turned you down not a true friend can be found

Remember me I'm the one who loves you
And through all kinds of weather you'll find I'll never change
Through the sunshine and the shadows I'll always be the same
We're together right or wrong and where you go I'll tag along
Remember me I'm the one who loves you

And through all kinds of weather
