

## What's A Girl Like You (doing In A Place Like This)

Jim Ed Brown

What's a girl like you doing in a place like this  
Oh what a pretty face in such a dirty place what in the world are you doing here  
You try to act like you belong but I know you're just puttin' on  
What's a girl like you doing in a place like this  
What's a girl like you wasting your time for  
In a place that only brings disgrace and shame  
What's a girl like you wasting your life for what went wrong who is to blame  
You play the jukebox all night long you try to act like you belong  
But your eyes tell me you're a million miles away  
So if I ask just once again it's because I don't understand  
What's a girl like you doing in a place like this  
What's a girl like you doing in a place like this
