

What's A Girl Like You (doing In A Place Like This)

Jim Ed Brown

What's a girl like you doing in a place like this
Oh what a pretty face in such a dirty place what in the world are you doing here
You try to act like you belong but I know you're just puttin' on
What's a girl like you doing in a place like this
What's a girl like you wasting your time for
In a place that only brings disgrace and shame
What's a girl like you wasting your life for what went wrong who is to blame
You play the jukebox all night long you try to act like you belong
But your eyes tell me you're a million miles away
So if I ask just once again it's because I don't understand
What's a girl like you doing in a place like this
What's a girl like you doing in a place like this
