## **This Is for My Bitches**

**Jim Jones** 

This goes out to all my fly ladies all across the world You know I love you And I'm sorry if I called you a bitch. sincerely yours, JONES Shawty's like the sexiest thinkg that I've ever seen She is like a drug and you know im'a fiend When we sexin Shawty let me Do the different freaky things to her And I like the way she kiss me when we're all alone And like when she miss me she be callin ma phone Like where you been? Lets get it in Scoop her up like baby lets roll This is for my bitches

All around the world and they straight up sexy All around the world ladies can you feel me? That's the girls I like I put your hands up high I I I This is for my bitches All around the world and they straight up sexyy All the girls around the world ladies can you feel me? That's the girls I like I..put your hands high I I I This is for my bitches

From New york she was summer laid (like a star) Pretty thang from around the way (she was all) Body like she was from the A I like I like M.I.A High drops that's the way we play Top down major woulda made ya day Spending money like a vegas day
