

# Are You the One

Jim Reeves

Are you the one who promised me a love forever true  
Are you the one who said you'd stand beside me all life through  
Are you the one who'll share my joy and all my troubles too  
If you're the one, then I'm the one who'll give my heart to you

Are you the one?  
Yes I'm the one  
The only one?  
The only one  
Will love be sweet?  
Oh yes, my Dear  
And life complete?  
Oh yes, my Dear

We'll be sweethearts all the time, you forever will be mine  
Our two hearts will beat as one forevermore

Are you the one that'll pick me up if ever I should fall  
Are you the one who'll run to me if ever I should call  
Are you the one who'll say "I will" and be my loving Wife  
If you're the one, then I'm the one who'll love you all my life

Are you the one?  
Yes I'm the one  
The only one?  
The only one  
Will love be sweet?  
Oh yes, my Dear  
And life complete?  
Oh yes, my Dear

We'll be sweethearts all the time, you forever will be mine  
Our two hearts will beat as one forevermore

Are you the one who'll share with me the bitter and the sweet  
Are you the one who'll make my life so happy and complete  
Are you the one who'll kiss away the troubles that arise  
If you're the one, then I'm the one who won life's greatest prize

Are you the one?  
Yes I'm the one  
The only one?  
The only one  
Will love be sweet?  
Oh yes, my Dear  
And life complete?  
Oh yes, my Dear

We'll be sweethearts all the time, you forever will be mine  
Our two hearts will beat as one forevermore
