

Charmaine

Jim Reeves

I wonder why you keep me waiting
Charmaine, my Charmaine?
I wonder when bluebirds are mating
Will you come back again?

I wonder if I keep on praying
Will our dreams be the same?
I wonder if you ever think of me too
Charmaine, my Charmaine?

Charmaine, my Charmaine

Will you come back again?

I wonder if I keep on praying
Will our dreams be the same?
I wonder if you ever think of me too
Charmaine, my Charmaine?..
