

## Charmaine

Jim Reeves

I wonder why you keep me waiting  
Charmaine, my Charmaine?  
I wonder when bluebirds are mating  
Will you come back again?

I wonder if I keep on praying  
Will our dreams be the same?  
I wonder if you ever think of me too  
Charmaine, my Charmaine?

Charmaine, my Charmaine

Will you come back again?

I wonder if I keep on praying  
Will our dreams be the same?  
I wonder if you ever think of me too  
Charmaine, my Charmaine?..
