

Don't Let Me Cross Over

Jim Reeves

I'm tempted my darling, to steal you away
So help me darling, stay out of my way
You know that I love you, but I'm not the cheatin' kind
I'm facing a heartache and loves cheating line

Don't let me cross over loves cheating line
You belong to another and could never be mine
I know one step closer, would be heaven divine
Don't let me cross over, loves cheatin' line

I tried to forget, but what else can I do
When your eyes keep saying, that you love me to
I know if I lose you, not a dream will I have left
I don't want to cheat, dear, but I can't help myself

Don't let me cross over loves cheating line
You belong to another and could never be mine
I know one step closer, would be heaven divine
Don't let me cross over, loves cheatin' line
