## Don't Let Me Cross Over

## Jim Reeves

I'm temped my darling, to steal you away
So help me darling, stay out of my way
You know that I love you, but I'm not the cheatin' kind
I'm facing a heartache and loves cheating line

Don't let me cross over loves cheating line You belong to another and could never be mine I know one step closer, would be heaven divine Don't let me cross over, loves cheatin' line

I tried to forget, but what else can I do When your eyes keep saying, that you love me to I know if I lose you, not a dream will I have left I don't want to cheat, dear, but I can't help myself

Don't let me cross over loves cheating line You belong to another and could never be mine I know one step closer, would be heaven divine Don't let me cross over, loves cheatin' line
