

# Don't You Want to Be My Girl

Jim Reeves

Poor little doll you're too young for tears  
I'm in love with you honey up through my years  
I know that you go for somebody else but he's gonna drop you he  
told me himself  
Poor little doll the sun is your smile but there will be tears  
in just a short while  
Don't let him hurt you and tear down your world oh don't you wa  
nt to be my girl  
Don't you want to move right into my heart  
Don't give those blue tears a chance to start  
A love true is mine shouldn't be overlooked  
I'll let the world see that you've got me hooked  
No kissing in corners like he once to do cause nobody hides a l  
ove that is true  
To him you're a plaything to me you're a pearl oh don't you wan  
t to be my girl  
Don't you want to move right into my heart...  
Yes don't you want to be my girl
