

Echo Bonita

Jim Reeves

Echo Bonita, I'm sad and blue
My senorita is lonely too
Echo Bonita where can she be
Echo Bonita please find her for me.

Will you echo, echo, echo, echo,
Echo down Mexico way
She'll hear our echo, echo, echo, echo,
Echo and come back to stay
In our Ranchita for just we three
Echo Bonita, senora and me.

Echo Bonita I'm sad and blue
My senorita is lonely too
Echo Bonita where can she be
Echo Bonita please find her for me.

Will you echo, echo, echo, echo,
Echo down Mexico way
She'll hear our echo, echo, echo, echo,
Echo and come back to stay
In our Ranchita for just we three
Echo Bonita, senora and me...
