

Heart Breaking Baby

Jim Reeves

Heart breaking baby
What makes you want to roam
Heart breaking baby
Why don't you come on home?

You said you'd like to be the light
But you've been gone two day and night
Heart breaking baby
Why don't you come on home?

Heart breaking baby
Take off those waltzin' shoes
Come on back baby
And leave the hometown blues.

It says home town girl makes good
Somehow I always knew you would
Heart breaking baby
Be careful what you do.

Heart breaking baby
Why don't you settle down
Heart breaking baby
With all that runnin' around.

I see you bought a brand new car
I'm glad you didn't run to far
Heart breaking baby
I'm on my way...
