

I Could Cry

Jim Reeves

I could cry cause I fell in love with you I could cry cause you
never could be true

I could cry my very heart out for someone just like you

I could cry but what good would it do

I'll go on caring I'll go on sharing every little dream I have
with you

I'll go on giving I'll go on living every single day of my life
for you

I could cry cause I'm still in love with you how I'll cry dear

I wish you only knew

I could cry my very heart out just hoping you'll be true

Yes I'll cry for what else is there to do

I could cry cause I'm still in love with you...
