

I Love You More

Jim Reeves

I love you more, love you more
Love you more, love you more

I love you more
Than every wave that breaks upon
Some far and distant
Lonely island shore

I love you more
Than every drop of rain that falls
With every drop that falls
I love you more

At night I watch the moon on high
And count the stars up in the sky
For every star that shines tonight
My love for you is just as bright

I love you more
Forever I'll be true to you
I know, you'll always love me true
Forever more
(Ever more)

At night I watch the moon on high
And count the stars up in the sky
For every star that shines tonight
My love for you is just as bright

I love you more
Forever I'll be true to you
I know, you'll always love me true
Forever more
(Ever more)
