

# I Love You More

Jim Reeves

I love you more, love you more  
Love you more, love you more

I love you more  
Than every wave that breaks upon  
Some far and distant  
Lonely island shore

I love you more  
Than every drop of rain that falls  
With every drop that falls  
I love you more

At night I watch the moon on high  
And count the stars up in the sky  
For every star that shines tonight  
My love for you is just as bright

I love you more  
Forever I'll be true to you  
I know, you'll always love me true  
Forever more  
(Ever more)

At night I watch the moon on high  
And count the stars up in the sky  
For every star that shines tonight  
My love for you is just as bright

I love you more  
Forever I'll be true to you  
I know, you'll always love me true  
Forever more  
(Ever more)
