

Making Believe

Jim Reeves

Making believe that you still love me
It's leaving me alone and so blue
I'll always dream though I'll never own you
Making believe that's all I can do

I can't hold you close when you're not with me
You're somebody's love, you'll never be mine
Making believe, I'll spend my lifetime
Loving you just making believe

I'm making believe that I'll never lost you
But my happy hour, I'll find now so few
My plans for the future will never come true now
I'm making believe, what else can I do?

I can't hold you close, darlin' when you're not with me
You're somebody's love, you'll never be mine
Making believe, I'll spend my lifetime
Loving you making believe
