

Someday You'll Want Me to Want You

Jim Reeves

I know that someday
You'll want me to want you
When I'm in love with somebody else

You expect me to be true
And keep on loving you
Though I'm feeling blue
You think I can't forget you

Until someday
You'll want me to want you
When I'm strong for somebody new

Though you don't want me now
I'll get along somehow
And then I want want you

I know that someday
You'll want me to want you
When I'm strong for somebody new

And though you don't want me now
I'll get along somehow
And then I won't want you
