

# Take Me in Your Arms and Hold Me

Jim Reeves

Take me in your arms and hold me  
Like I've been holding you in my heart  
Take me in your arms and tell me  
That you've missed me since we've been apart.

You just don't know how  
Heartsick and lonesome I've been  
Or how much I've prayed  
That you'd come back again.

And take me in your arms and hold me  
Like I've been holding you in my heart.

You just don't know how  
Heartsick and lonesome I've been  
Or how much I've prayed  
That you'd come back again.

And take me in your arms and hold me  
Like I've been holding you in my heart...
