

# The Wilder Your Heart Beats The Sweeter Your Love

Jim Reeves

I found out this weekend, baby  
In my heart you really rate me  
The wilder your heart beats  
The sweeter you love.

Since I met a girl like you  
You've done gone and proved it's true  
The wilder the heart beats  
The sweeter you love.

The wilder your heart beats  
The sweeter you love  
It frieghtens the moon light  
For us to make our love.

Each time I kiss and hold you tight  
The whole world says now that's alright  
The wilder your heart beats  
The sweeter you love.

Thing I didn't know before  
Well, keeps knocking at my door  
The wilder your heart beats  
The sweeter you love.

I found out since you've been missin'  
All the things that I've been missin'  
The wilder your heart beats  
The Sweeter you love.

The wilder your heart beats  
The sweeter you love  
If frieghtens the moon light  
For us to make our love.

Each time I kiss and hold you tight  
The whole world says now that's alright  
The wilder your heart beats  
The sweeter you love.

The wilder your heart beats  
The sweeter you love  
If frightens the moon light  
For us to make our love.

Each time I kiss and hold you tight  
The whole world says now that's alright  
The wilder the heart beats  
The sweeter you love...
