

## There's a Heartache Following Me

Jim Reeves

Sometimes they ask me  
If I'm really happy now  
I say, sure  
I never loved her anyhow  
But inside I long for you  
And the way it used to be  
I look around and there's a  
Heartache followin' me.

I always say that  
I'm really glad you're gone  
I even act like  
I never cared at all  
But your memory lingers on  
And I'm never really free  
I look around and there's a  
Heartache followin' me.

I pawned my ring and everything  
That tied me to the past  
I say I never loved her  
Never meant for it to last  
But I know it's just a game  
And the loser's always me  
I look around and there's a  
Heartache followin' me...
