

Tweedle O'Twill

Jim Reeves

Tweedle o'twill, puffin' on corn silks
Tweedle o'twill, widdlin' wood
Sittin' there wishin' he could go fishin'
Over the hill, tweedle o'twill.

Tweedle o'twill, don't he look drowsy
Tweedle o'twill, noddin' his head
Bet he feels lazy pickin' up daisy
Gettin' a thrill, tweedle o'twill

Tweedle o'twill, bobbin' and weavin'
tweedle o'twill, wadin' in corn
Takin' it easy out where it's breezy
Better be still, tweedle o'twill.

Tweedle o'twill, swattin' a horsefly
Tweedle o'twill, ticklin' his nose
Birds of a feather flockin' together
Gettin' a thrill, tweedle o'twill...
