

# What's in It for Me

Jim Reeves

I know that I'm a fool  
To keep on loving you so hopelessly  
Someone else is in your heart  
So what's in it for me?

Why do I dream of you  
When I'm just dreaming of what used to be  
There's no future in the past  
So what's in it for me?

But I can't help it  
I can't seem to break the ties that bind  
These ties of love are wound too tight  
Around this heart of mine

I know that it's a sin  
To wish my life could end and cease to be  
But what's life without your love  
What's in it for me?

But what's life without your love  
What's in it for me?
