

Where Does a Broken Heart Go

Jim Reeves

Where does a broken heart go?
Does it just fade away?
Is it lost forever?
Will it live again someday?

How can a broken heart
Live on with more than its share
When it knows the game is lost
And it's hopeless to care?

When a heart has taken
'Bout all it can stand
Is it then protected
With God's loving hand?

Where does a broken heart go
When it dies of pain?
Is there a heaven for broken hearts
Will it live again?

Is it then protected
With God's loving hand?

Where does a broken heart go
When it dies of pain?
Is there a heaven for broken hearts
Will it live again?...
