## Where Does a Broken Heart Go

**Jim Reeves** 

Where does a broken heart go? Does it just fade away? Is it lost forever? Will it live again someday?

How can a broken heart Live on with more than its share When it knows the game is lost And it's hopeless to care?

When a heart has taken 'Bout all it can stand Is it then protected With God's loving hand?

Where does a broken heart go When it dies of pain? Is there a heaven for broken hearts Will it live again?

Is it then protected With God's loving hand?

Where does a broken heart go When it dies of pain? Is there a heaven for broken hearts Will it live again?...
