Yonder Comes a Sucker

Jim Reeves

Railroad, steamboat, river and canal Yonder comes a sucker and he's got my girl And she's gone gone gone and she's gone gone gone And I'll bid her my last farewell

I fell in love with a pretty little thing I thought that wedding bells would ring She was as sweet as sweet could be Till I found out what she did to me

Railroad, steamboat, river and canal Yonder comes a sucker and he's got my girl And she's gone gone gone and she's gone gone gone And I'll bid her my last farewell

I asked her mother to let her go She whispered mother please tell him no Though he may think that I am true There's plenty more who think so too

Railroad, steamboat, river and canal Yonder comes a sucker and he's got my girl And she's gone gone gone and she's gone gone gone And I'll bid her my last farewell

Now I won't cry my life away Some other sucker will have to pay And when he finds that she is gone I guess I'll hear him sing this song

Railroad, steamboat, river and canal Yonder comes a sucker and he's got my girl And she's gone gone gone and she's gone gone gone And I'll bid her my last farewell
