

You'll Never Know

Jim Reeves

You'll never know just how much I love you
You'll never know just how much I care
And if I tried I still couldn't hide my love for you
You ought to know for haven't I told you so

A million or more times you went away
And my heart went with you
I speak your name in my every breath

If there is some other way to prove that I love you
I swear I don't know how
You'll never know if you don't know now

If there is some other way to prove that I love you
I swear I don't know how
You'll never know if you don't know now
