Jim Steinman

Did he ever get rough
Did you ever get tender
Did it leave any scars
Do you expect them to heal
What did he look like
Did he remind you of me
Where you willing to beg or to kneel
Did he keep his eyes open
Did you bother to look
Or was he only a kid after all
Where did he touch you And how did it feel
If you need him again will he still be on call
And who made the very first move
Who made the very first move Who made the very first move...
