

Hold On

Jim Verraros

I've got your picture in my mind
You've got my heart in your hands
Are you giving up, leaving it behind?
I'm giving you everything i can

Hold on, hold on
I don't wanna let this go
Hold on, hold on
You don't wanna keep this though
Hold on, hold on
I don't wanna be alone
Hold on, hold on

I've got your whisper memorized
I don't wanna be just a memory
How can i make you realize?
Will this be just a fantasy?

Hold on, hold on
I don't wanna let this go
Hold on, hold on
You don't wanna keep this though
Hold on, hold on
I don't wanna be alone
Hold on, hold on

If you turn and don't stay
You will look back one day and say
That i was the one, and you were so loved
But baby, isn't that enough?

Hold on, hold on
I don't wanna let this go
Hold on, hold on
You don't wanna keep this though
Hold on, hold on
I don't wanna be alone
Hold on, hold on
