

## So Deep

Jim Verraros

Tired of all the same damn tricks  
Don't know how to use what they got  
I wanna play some games, use some toys  
No teasin', just pleasin', yeah  
Take me up to your room  
I wanna see what you can do  
Throw me on the bed and tie me up  
Handcuffs 'till i can't get enough

I wanna go so deep  
It hurts so good and i wanna be so bad, yeah  
Don't stop until you get so deep  
Keep going 'til you get so deep

Move faster, baby, harder  
I wanna feel you inside me, yeah  
Pulling your hair, gaspin' for air  
Sweatin' so hard i can't see, yeah  
Take my arms up above me  
You're making me moan 'cause i'm so hungry  
Bite me, tease me, use your tongue  
Don't worry 'cause i'm not gonna run

I wanna go so deep  
It hurts so good and i wanna be so bad, yeah  
Don't stop until you get so deep  
Keep going 'til you get so deep

I'm almost there, baby, please don't stop  
I can get there faster when you're on top  
Go deeper, baby, deeper, deeper, yeah  
I think i'm gonna...

I wanna go so deep  
It hurts so good and i wanna be so bad, yeah  
Don't stop until you get so deep  
Keep going 'til you get so deep
