So Deep

Jim Verraros

Tired of all the same damn tricks Don't know how to use what they got I wanna play some games, use some toys No teasin', just pleasin', yeah Take me up to your room I wanna see what you can do Throw me on the bed and tie me up Handcuffs 'till i can't get enough

I wanna go so deep It hurts so good and i wanna be so bad, yeah Don't stop until you get so deep Keep going 'til you get so deep

Move faster, baby, harder I wanna feel you inside me, yeah Pulling your hair, gaspin' for air Sweatin' so hard i can't see, yeah Take my arms up above me You're making me moan 'cause i'm so hungry Bite me, tease me, use your tongue Don't worry 'cause i'm not gonna run

I wanna go so deep It hurts so good and i wanna be so bad, yeah Don't stop until you get so deep Keep going 'til you get so deep

I'm almost there, baby, please don't stop I can get there faster when you're on top Go deeper, baby, deeper, deeper, yeah I think i'm gonna...

I wanna go so deep It hurts so good and i wanna be so bad, yeah Don't stop until you get so deep Keep going 'til you get so deep
