Jimi Hendrix

"Buddy Miles is goin' to do something he wrote  
Called 'them changes'."

Well my mind is goin' through them changes  
I feel just like I'm in the time  
Every time you see me goin' some where  
I feel like I'm going out of my mind, yeah  
Oh, my baby she left me the other day  
And we were have so much fun yeah, yeah  
Oh, my baby she stepped out on me  
And that's the reason why she had to part

It's alright yeah yeah  
It's alright  
What I say  
It's alright  
Ooo hooo

Well my mind is goin' through them changes  
I think I'm goin' out of my mind  
Every time you see me goin' some where  
I think I could commit a crime know  
She had me runnin'  
She had me cryin'  
She had me runnin'  
She had me had me had me cryin'  
She had me runnin'  
She had me cryin'  
She had me runnin'  
Had me cryin'

It's alright yeah yeah  
It's alright

Clap your hands  
Go clap your hands

Can you clap a little louder  
It's alright  
It's alright  
Everything goin' to be alright  
It's alright  
It's alright
