

Little Wing

Jimi Hendrix

Verse:

Now she's walking through the clouds
With a circus mind that's running wild
Butterflies and zebras and moonbeams, and fairy tales
All she ever thinks about is

Riding with the wind

-same chord progression through the whole song-

Verse:

When I'm sad she comes to me
With a thousand smiles she gives to me free
It's alright, it's alright she says
Take anything you want from me

Outro:

Fly little wing...
